DARING DIMENSIONS DESIGNED BY **U**

Orac Decor® presents a special collection of decorative interior elements created by top designer and strong-minded visionary Ulf Mortiz.

“Design is experience. It is finding new ways of bringing an interior to life. That is precisely what Orac Decor® does. It plays with shapes and volumes, light and shade, patterns and dimensions. Working with Orac Decor® was a unique opportunity for me to develop my ideas.

I have designed a collection of 12 decorative profiles and elements for you. These designs are for those who dare. With a little courage, you can create your own extra dimension in your interior. Now it is up to you.”
